Written notice of such election shall be given and published in English or in Kannada or both, as the said officer may direct, not less than fifteen days before the date fixed for the election. Copies of the notice shall be affixed at the Municipal Office and at such other conspicuous place or places within the Municipality as the Municipal Council appoints for this purpose.

Nomination of candidates

12. (1) No person may be a candidate for a councillorship unless he has been nominated in writing for this purpose by two persons entitled to vote in the same division in which the candidate wishes to be elected. The nomination paper shall bear an endorsement signed by the nominee signifying his willingness to serve and shall be delivered to the Returning Officer at least seven days before the date fixed for the election.

(2) The said officer shall, where any nomination paper is prepared and delivered to him in accordance with sub-rule (1), if the nominators establish to his satisfaction that they are entitled to vote at the election and that the nominee is qualified as a candidate, enter the nominee's name in a list of candidates, which shall be prepared under his signature and posted at the Municipal Office and at the place at which the election is to be held and in other conspicuous places, at least five days before the date fixed for the election.

(3) When elections are to be held at or about the same time in two or more divisions, one and the same person may be nominated for election in all or any number of the said divisions.

Conduct of Elections.

13. When the number of candidates nominated does not exceed the number of vacancies, the nominated candidate or candidates may be declared by the Returning Officer elected without any votes being recorded. For purposes of Rule 28 of these rules, such candidates shall be considered to have got the highest number of votes.

14. If more candidates than there are vacancies have been validly nominated, votes shall be taken in accordance with the procedure prescribed in the following rules :—

15. The Returning Officer shall appoint one or more Polling officers to preside at each polling station with as many assistants as he thinks necessary. The said officer shall also appoint one or more identifying officers at each polling station to assist the Polling officer in identifying the voters.

16. (1) On the morning of the election day, the Polling Officer shall be supplied with a sealed box provided with an aperture for receipt of voting papers, an Election Roll and a bound book or books of voting papers serially numbered in foil and counterfoil, one voting paper for each voter on the Election Roll.

(2) The Returning Officer may give such special directions as may be necessary for the provision of ballot boxes, cubicles or screens, and other matters of detail.

17. (1) The voting paper shall be printed in Form A hereto appended and shall contain the names of all the candidates.

(2) The name of any candidate who may have withdrawn his candidature shall be scored out by the Returning Officer or by the Polling Officer under the Returning Officer's orders.

18. Every candidate who, on or before the date of his nomination, supplies the Returning Officer at his own expense with a block depicting such symbol as he may, with the said officer's approval, adopt for the guidance of voters shall be entitled to have the same printed in column 3 of the voting paper.

19. Specimen voting papers shall be posted outside the polling booth for the guidance of voters at least 48 hours before the election commences.

20. (1) On the day of the election, the Polling Officer shall admit to the ante-room of the polling booth the candidates and such agents as may be selected by the candidates to assist in the identification of voters, provided that there shall be present at one time in addition to the candidates not more than one agent of each candidate.

(2) Besides candidates and their agents, only voters, attendants of voters admitted under rule 22 (vi), and such persons (if any) as may be admissible under special directions given by the Returning Officer in this behalf, shall be admitted to the polling booth.

21. The candidates and their agents shall not speak to or address any intending voter in the ante-room, but may only address to the Polling Officer objections to a voter on the following three grounds :—

First.—That his name is not on the list of voters of the division in respect of which the election is being held.

Second.—That his claim to be a particular voter shown on the list of voters is false.

Third.—That he has already voted.

Any person breaking this rule may be expelled from the ante-room by the Polling Officer and shall not be re-admitted during the election.

22. The procedure for recording each voter's vote shall be as follows:—

(*i*) Every voter may vote for as many candidates as there are councillors to be elected for the Division.

(*ii*) There shall be no voting by proxy.

(*iii*) As each intending voter enters the ante-room, his name and his number in the election roll shall be announced so that all present can hear them.

(*iv*) The Polling Officer shall dispose of any objections raised by candidates and their agents, and, when satisfied that the intending voter is entitled to vote and has not yet voted, shall initial the foil of a voting paper, and, after taking the voter's signature or mark on the counterfoil, and endersing the paper across the junction of foil and counterfoil with a seal, give the foil to the voter and admit him to the polling room.

(*v*) The voter, after making a cross in column 4 of the voting paper against the names of any candidates for whom he wishes to vote, shall return the paper folded up to the Polling Officer who shall forthwith in the voter's presence place it in the sealed box and pass the voter out of the polling room.

(vi) On the request of a voter who through blindness or any other cause is physically incapable of recording his vote for himself, the Polling Officer shall permit an attendant to take the voter into the polling booth and record his vote for him.

23. It shall be the duty of the Polling Officers and their assistants to see that votes are recorded with absolute secrecy; that only such persons as may be admitted to the polling booth under these rules are admitted thereto; and that persons who have recorded their votes, or against whom objections have been heard and disposed of, leave immediately. It shall also be their duty to see that these rules and any special directions given by the Returning Officer thereunder are strictly observed in all respects.

24. On the conclusion of the poll, the Polling Officer shall seal up the aperture of the sealed box and forthwith deliver the box for safe custody to the Returning Officer or some one appointed by the said officer to take charge of it till the votes are counted. The Polling Officer shall seal up the book of counterfoils and unused foils and keep it sealed in his own custody till it is destroyed under rule 31.

Determination of Results of Elections.

25. The ballot box shall be opened and the votes counted at a special general meeting of the Municipal Council by three scrutineers appointed for this purpose at the meeting.

26. Any ballot paper on which votes are given to more candidates than there are councillors to be elected shall be invalid.

27. If there is an equal number of valid votes in favour of each of two or more candidates for one vacancy, the selection of one such candidate shall be made by lot by the Chairman of the aforesaid meeting, in such manner as the Municipal Council at such meeting shall determine.

28. Whenever one and the same person gets the highest number of votes in more than one division he will be at liberty to determine for which division he should be returned and in default of his doing so within 48 hours alter the declaration of the result of election, Government in the case of City Municipalities and the Deputy Commissioner in the case of Town Municipalities shall declare him to have been elected for one such division. In such cases the candidates who have got the next highest number of votes in the several remaining divisions will be taken to have been elected for those divisions. In the event of there being no such candidate in any such division, a fresh election shall be held for the same.

29. The result of the election shall be declared by the Chairman of the meeting and shall be recorded in the minutes of the proceedings of the meeting.

Custody and Destruction of Voting Papers.

30. When the voting papers have been scrutinised, they shall forthwith be replaced in the ballot boxes from which they were taken and these boxes after being locked and sealed with the Municipal seal, shall be kept by the Municipal Council in safe custody.

31. On the expiry of fifteen days from the date of the declaration of the result of the election, or if any application regarding the election is made to the District Judge under Section 22 of the Regulation and such application is not finally disposed of before the expiry of the said fifteen days, then whenever such application has been finally disposed of, the voting papers including both those in the ballot box and those in the sealed book in the Polling Officer's custody shall be destroyed in the presence of such councillor or officer as the Municipal Council appoints for this purpose.

Report of results of elections.

32. The names of persons declared to have been elected under Rules 13 and 29 shall be communicated with the least practicable delay to the Government direct in the case of a City Municipality and through the Deputy Commissioner in the case of a Town Municipality, for being notified in the *Mysore Gazette*.

Casual Vacancies.

33. On a vacancy occurring in the Municipal Council between two general elections, the Returning Officer shall fix a date as soon as conveniently may be for the holding of the election to fill the vacancy. The above rules shall apply, with such modifications as may be necessary, to such bye-elections.
